FISCAL NOTE

HB 1261 - SB 1573

March 27, 2011

SUMMARY OF BILL: Authorizes the sale of beer by temporary licensees on publicly owned property in conjunction with a fair.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Temporary licenses for the sale of beer are currently issued by local governments. There will not be an increase in the total number of licenses issued.
- This bill will have the effect of authorizing temporary licensees to sell beer on public property in conjunction with a fair in lieu of the locations where such permits are currently relegated.
- Pursuant to Tenn. Code Ann. § 57-5-105, non-profit or charitable organizations receiving a temporary license are currently authorized to sell beer on public property in counties having a population greater than 300,000.
- Any increase to beer sales directly related to the authorization for temporary licensees to sell beer on public property is estimated to be not significant resulting in a not significant increase in state and local sales tax revenue.
